**PRINCIPAL'S REPORT**

**CAMPING PLEASURE**

I spent a delightful afternoon and evening with the lucky campers yesterday and it was such a pleasure to see the enjoyment and engagement of all.

As I arrived the students were practising their archery, had snakes around their necks, were on the low ropes course and were flying down the hill on the flying fox.

Apparently it was a little cold but all the children didn't seem to notice as they tested their skills and physical ability. The students were so excited to show me the activities and their beautiful quarters that I found myself harnessed and ready to jump off a very high platform much to the pleasure of the children. No it wasn't elegant and the pictures will not appear in the newsletter but the squeals of laughter said it all.

Later in the evening I got my own back as I was able to sit back and watch as they ate their beautiful dinner -vegies and all, cleared the tables, washed and dried the dishes,

swept , vacuumed and mopped the floors and polished up the kitchen. Don't let them ever tell you again that it is your job mum!!!!

When all was perfect they prepared themselves for their performances and being the guest judge was a pleasure. All the groups had created entertaining and unique acts which kept us all laughing and amazed at the confidence and talent displayed. As they all went off to brush their teeth and hop into bed like good little children I wound my way back down the Dandenongs to spend the night in my comfy bed. I was exhausted after one day and I wish to thank the teachers who have been with them over the 3 days and enjoyed your children's camp experience.

Take care,  
Suzanne Muir  
Principal

## HAIL AT CAULFIELD PRIMARY SCHOOL October 6<sup>th</sup> 2009

I like hail and I don't like weather and I like rain to play in. I like watching hail.  
**Ashleigh Gr 1**

We saw snow. The school yard was flooded. And there was hail outside.  
**Oscar Gr 1**

This was the first time I have seen hail. It was cold. I touched it.  
**Anjalie Gr 1**

It hailed at school. We looked outside. It looked like it was snowing.  
**Jesse Gr 1**

Today there was hail, flood and stormwater drains at school. We were inside school when it began to snow. Snow was on the slide. It is Spring and it hailing. It was very cold. There was no snow in the afternoon, there was sun.
