YEARS 1&2 PARENT PAYMENT ARRANGEMENTS

CAULFIELD PRIMARY SCHOOL 2022

Dear Parents,

Caulfield Primary School is looking forward to a great year of teaching and learning next year and would like to advise you of the School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, it is these contributions made by our parent community, over many years, that provide us with an enriched learning and teaching program and the environment and resources that we enjoy today. Your contributions make a significant difference, and this financial support ensures that we can continue to provide an excellent range of facilities and resources for your children.

Within our school this support has allowed us to:

- Further develop our Bilingual education, including the provision of resources
- Provide high quality programs, specific subject materials and equipment for English, Mathematics, STEM & PE
- Maintain and develop the school grounds
- Ensure the preservation of our computer devices' leases, to enhance learning opportunities
- Maintain sufficient class sets of books and all stationery materials in class bulk supplies for all students
- Facilitate literacy and numeracy online digital subscriptions
- Update & expand the resources in our Library, including both English & Japanese materials
- Deliver a range of sporting equipment

With your help and support, Caulfield Primary School can continue to design and develop learning and teaching programs, drawing on the best educational knowledge and practices, whilst striving to offer broad and enriched opportunities to students that are above and beyond what is required in the standard curriculum, and what is provided for by Government funding

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

Yours sincerely,

JAMES MACKY
School Council President
